ANNOUNCEMENTS

Notice of Election: During this Central Committee meeting, delegates to the State Central Committee and First Congressional District Central Committee will convene to elect their respective delegation chairs.

Special Note for Newer Members: Most of the party's work is done through the various smaller committees. If there is something that interests you, we would appreciate your volunteer service! Please ask the chairs of the committees you would like to help with when their next monthly meeting is scheduled for!

Reminder on Orderly Meetings: It is not within the authority of the chair under our present rules to unilaterally close debate on any item. Therefore, if you feel that an item of debate has continued for an unduly long period of time, you may move to end debate, and debate will then end on that item if 2/3 of the group votes to do so.
