JUNE 2019 UPDATE FROM THE CHAIR

Happy June!

Congratulations to the successful candidates in the May local elections! We elected many outstanding Democrats to local office. That success is due to all of us getting out and talking with our neighbors. People power wins over big money – we proved that in these elections!

On this 50th anniversary of the Stonewall Uprising it's an honor to recognize June as LGBTQ Pride Month. Our efforts to elect progressive local leaders means that for the first time in the history of Washington County, our Board of Commissioners has officially proclaimed June as Pride Month. This official proclamation signals to everyone that our county is committed to creating a community where all people are welcomed and celebrated!

Best wishes on the month ahead,

Patrick Maguire

Chair, Washington County Democrats
