
Monthly Update from the Chair

There are so many good things happening in our county party this summer. Our volunteers are proudly representing us in parades, fairs, and at cultural events such as the Portland International Muslim Cultural Festival. This gives us the opportunity to share our message of positive change and gain new members!

In contrast to these good things, we have seen more disturbing reports in recent days regarding mistreatment of immigrants in camps near our Southern border. I have been reminding myself of the advice of Martin Luther King Jr.: *"We must accept finite disappointment, but never lose infinite hope."*

The responsibility to stand up for those who are being mistreated rests with us. As a party we must continue to find dynamic ways to take a stand against the injustices of our time.
