

**A Resolution of the Washington County Democrats Central Committee
WCDCC Resolution # 2020-003**

Regarding Priority Legislative Action Items for 2020/2021

- A. Whereas the Washington County Democratic Central Committee (WCDCC) held a Platform Convention on October 13 and 20, 2019 during which they developed a WCDCC Platform for 2020 and 2021 and also identified approximately 89 potential legislative action priorities items [LAI's] and
- B. Whereas subsequently, a Survey Monkey poll was submitted to all WCDCC PCP's asking them to identify their top 20 legislative goals (not ranked), and
- C. Whereas more than 100 PCPs responded to this poll which provided a rating of 80 LAIs ranging from 71% (listed as a priority by 71% of the respondents) to 1%, and
- D. Whereas the WCDCC Resolutions and Platform Committee (R&PC) has considered this poll and is of the opinion that a smaller number of high priority issues provides a more practical basis for communication (lobbying) with our legislators, and
- E. Whereas the R&PC voted to recommend that the WCDCC adopt the attached list of nineteen LAI's as Priority LAI's for 2020 and 2021, including issues of both state and national concern, and
- F. Whereas the R&PC recognizes that individual members may have issues of higher concern not represented on that list and encourages all PCP's to lobby separately for the issue of their highest concern:

Therefore, the Washington County Democratic Central Committee (WCDCC) resolves as follows:

1. To adopt the attached list of Priority LAI's as a guide in discussion with state legislators and US Congressional representatives.

Attachment: Proposed Priority LAI's

Resolution by R&PC, 7 January 2020 with a DO ADOPT recommendation.
